

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **Note: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage or to get a copy of the complete terms of coverage, visit us at PriorityHealth.com or call 1-888-389-6645. For general definitions of common terms, such as allowed amount, balance billing, co-insurance, co-payment, deductible, provider, or other underlined terms see the Glossary. | Important Questions  | Answers   | Why this Matters   |
|--|---|--|
| <b>What is the overall deductible?</b>                             | For <u>network providers</u> \$250 person / \$500 family<br>For <u>non-network providers</u> \$500 person / \$1,000 family<br>The <u>deductible</u> for each benefit level is calculated separately. Amounts you pay toward the <u>deductible</u> do not count toward any co-insurance maximums.  | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| <b>Are there services covered before you meet your deductible?</b> | Yes, the network benefits <u>deductible</u> doesn't apply to <u>preventive care</u> , services subject to flat dollar <u>co-pays</u> and prescription drugs. Emergency room, ambulance and advanced imaging services are subject to the <u>deductible</u> and a <u>co-pay</u> .   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without cost-sharing and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .  |
| <b>Are there other deductibles for specific services?</b>          | No.   | You don't have to meet <u>deductibles</u> for specific services.   |
| <b>What is the out-of-pocket limit for this plan?</b>              | Yes. For <u>network providers</u> \$8,150 person / \$16,300 family<br>For <u>non-network providers</u> \$16,300 person / \$32,600 family<br>Your plan also has a co-insurance maximum.<br>For <u>network providers</u> \$0 person / \$0 family<br>For <u>non-network providers</u> \$1,500 person / \$3,000 family<br>The co-insurance maximum limits the total amount of <u>co-insurance</u> you will pay for certain covered services during a coverage period. The co-insurance maximum is included in the <u>out-of-pocket limit</u> . The <u>out-of-pocket limit</u> and co-insurance maximum for each benefit level is calculated separately. | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| <b>What is not included in the out-of-pocket limit?</b>            | <u>Premiums</u> , <u>balance-billed</u> charges, health care this <u>plan</u> doesn't cover, services that exceed an annual day/visit limit, and any <u>co-pays</u> and <u>co-insurance</u> you pay for any non-essential health benefit.   | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .   |
| <b>Will you pay less if you use a network provider?</b>            | Yes. See PriorityHealth.com or call 1-888-389-6645 for a list of <u>network providers</u> .   | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| <b>Do you need a referral to see a specialist?</b>                 | No.   | You can see the <u>specialist</u> you choose without a <u>referral</u> .   |

All co-payment and co-insurance costs shown in this chart are after your deductible has been met, if a deductible applies.

## About these Coverage Examples:

**This is not a cost estimator.** Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors.
